

Item: 9358

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather upper, dual density PU/PU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 1358

Commodity	Same style, Different Function (Stock)	Description	Basic Function
Stock	1358-2:steel toe cap and antistatic (International Standard) 1358-3:steel toe cap and anti-static electricity (European Standard)	Selected black leather upper, dual density PU/PU sole	Steel toe cap Oil resistant Chemical resistant

Item: 1377

Commodity	Same style, Different Function (Stock)	Description	Basic Function
Stock	1377-1:steel toe cap and steel plate, anti-static electricity	Selected black leather upper, dual density PU/PU sole	Steel toe cap Oil resistant Chemical resistant

Item: 4318

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather upper, dual density dual color PU/PU sole	Steel toe cap Oil resistant Chemical resistant

Item: 2301

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather upper, dual density PU/PU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 2301-8

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Customize		Selected black leather upper, instep protection cover,dual density PU/PU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 7288

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather upper, dual density PU/PU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 8111

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather added with ventilated fabric net cloth,	Steel toe cap Oil resistant Chemical Resistant

Item: 8281

Commodity	Same style, Different Function (Customize)	Description	Basic Function
stock		Selected black leather upper, dual density PU/PU sole	Electrician sulation:6KV Oil resistant Chemical Resistant

Item: 9353

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather added with ventilated fabric net cloth, dual density PU/PU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 9385

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Customize		Selected black leather hollow upper dual density PU/PU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 9359

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather upper, dual density dual color PU/TPU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 9328

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather with anti-dusty cover upper, dual density dual color PU/TPU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 1351

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather upper, dual density PU/PU sole	Electrician sulation:6KV Oil resistant Chemical Resistant

Item: 4381

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather upper, dual density dual color PU/PU sole (First-class plastic coat)	Electrician sulation:6KV Steel toe cap Oil resistant Chemical Resistant

Black Leather Rubber Sole Low Cut series

Item: 7388

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black leather with anti-dusty cover upper, dual density dual color PU/TPU sole	Steel toe cap Oil resistant Chemical Resistant

Suede Leather PU Sole Low Cut Series

Item: 1101

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected suede leather upper, dual density PU/PU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 7179

Commodity	Same style, Different Function (Customized)	Description	Basic Function
Stock		Selected suede leather upper, dual density PU/PU sole	Electric insulation: 6KV Steel toe cap Oil resistant Chemical Resistant

Item: 9778

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected suede leather upper, dual density PU/PU sole	Electric insulation: 6KV

Item: 9352

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected colorful suede leather with ventilated upper, dual density PU/PU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 9020

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Customize		Selected colorful suede leather with ventilated fabric net cloth upper, dual density PU/PU sole	Steel toe cap Oil resistant Chemical Resistant

Item: 1101-D

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Stock		Selected black suede leather upper, dual density dual color PU/PU sole	Steel toe cap Oil resistant Chemical resistant

Item: 9021

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Customize		Selected colorful suede leather with ventilated fabric net cloth upper, dual density PU/PU sole	Steel toe cap Oil resistant Chemical resistant

Item: 9022

Commodity	Same style, Different Function (Customized)	Description	Basic Function
Customize		Selected colorful suede leather with ventilated fabric net cloth upper, dual density dual color PU/PU sole	Steel toe cap Oil resistant Chemical resistant

Item: 9023

Commodity	Same style, Different Function (Customized)	Description	Basic Function
Customize		Selected colorful suede leather with ventilated fabric net cloth upper, dual density dual color PU/PU sole	Steel toe cap Oil resistant Chemical resistant

 Suede Leather Rubber Sole Low Cut Series

Item: 1383

Commodity	Same style, Different Function (Customize)	Description	Basic Function
Customize		Selected colorful suede leather upper Oil-resistant rubber sole	Steel toe cap Oil resistant Chemical resistant
